WELCOME.

Thank you for expressing an interest in holding your function, meeting or special event at Kawana Waters Surf Life Saving Club.

Our outdoor dining area overlooks a children's play area and park before meeting the ocean, which our lifesavers spend numerous hours protecting. The outdoor scenery is very pleasant, especially on a nice sunny day. We have two air conditioned function rooms available for exclusive use and a bar area which is ideal for nibbles and a few ice cold beers. Whatever the occasion we can provide the perfect spot.

As we are an affiliated club, all patrons over 18 years of age must sign in at the front reception desk using valid photo identification. Unfortunately due to liquor licensing laws, we are unable to permit entry to any patrons, regardless of age into the club without sighting a valid reciprocal membership card or photo identification. Anyone under the age of 18 years will only be permitted entrance if accompanied with a responsible parent or guardian and they must leave the premises by 10:00pm. Please ensure all yours guests are aware of these legal requirements.
